THE WEATHER

Report for The Bulletin by
 the United States Weather
 Bureau Service.

Local Data.

1914 1915
 Highest temperature 59 52
 Lowest temperature 32 40
 7 p. m. temperature 46 46
 24 hour precipitation .91
 Character of day Cloudy

Sunrise and Sunset.

Sun rises 6:29
 Sun sets 4:23

LOCAL FORECAST

Cairo and vicinity: Cloudy and
 colder Tuesday.

NEWS OF THE RIVERS

Stage of river 32.0 feet, a rise of
 2.7 during the preceding 24 hours.

River Forecast.

The Mississippi, above Cairo, will
 rise at a slow rate, except as it may
 be affected by ice; elsewhere the
 rise is expected to be rapid, with
 flood stage at Riverton. Property
 along the Ohio, above the mouth of
 the Cumberland, subject to damage
 from flood stage should be protected
 as precaution.

A Personal Statement.

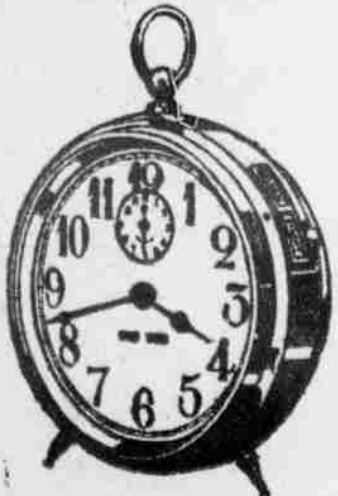

There are so-called "honey and
 tar" preparations that cost the
 dealer half as much but sell at the
 same price as the original and gen-
 uine Foley's Honey and Tar Com-
 pound. We never offer these imita-
 tions and substitutes. We know
 you will buy Foley's whenever you
 need a cough syrup if you once use
 it. People come long distances for
 the true Foley's—over thirty years
 the leading remedy for coughs,
 colds, croup, whooping cough, bron-
 chitis and laryngitis coughs. For sale
 by all dealers.—Advt.

AMUSEMENTS

A LUBIN MASTERPIECE, A
 PATHE NEWS AND COMEDY
 AT GEM TODAY AND NIGHT

Following immediately upon the
 presentation of an Italian master-
 piece produced at the Gem theater
 Sunday and Monday, comes Lubin's
 photoplay masterpiece "The Daugh-
 ters of Men" in five parts, by
 Charles Klein, adapted by Lawrence
 McClosky and produced by George
 W. Terwilliger. This great play
 features two well known actresses,
 Rose Cogan and Ethel Clayton. Be-
 sides this beautiful drama will be
 shown the "Pathe News" which
 knows all and sees all, and an Es-
 sayay comedy "The Fable of a Fel-
 low Who Had a Girl" by George
 Ade.

BOND ISSUE FOR
HIGH SCHOOL AT
MOUNDS NO GO

Election Held Saturday in Mounds
 Township Met Defeat by a
 Two to One Vote.

An election was held on Sat-
 urday, Jan. 20th, 1915, at Mounds
 and Villa Ridge, for the purpose of
 voting to bond the Mounds Town-
 ship High School District No. 34, in
 order to raise money with which to
 build a high school building on the
 Spencer Heights site, just north of
 that place. The excitement ran high
 and in spite of the fact that the
 rain fell in torrents all day, about
 600 votes were cast, and the propo-
 sition was voted down by about 2
 to 1. There were about 550 votes
 against and 250 for the issue.

Only three votes were cast for the
 proposition at Villa Ridge. The
 Lufkin and Valley Recluse districts
 voted at Mounds and were almost a
 unit against the bond issue.

It is said that the next move will
 be made to dissolve the high school
 district and let it revert back to the
 public school districts as of old.

It is the wrong time now to talk
 to a farmer or anyone else about
 voting bonds, or more taxes on
 their property for any purpose was
 the argument used against the
 proposition. Taxes in the Mounds
 district, including state, county,
 city, court house, water, school and
 all is \$7.00 on the \$100 valuation.
 The tax books have been turned
 over to the collector and all have
 been notified to pay early and avoid
 the rush, but many it is claimed
 will have to mortgage something in
 order to raise the money.

Much Rain Fell.

A vast amount of rain fell here
 Saturday and Sunday. The water
 in low parts of the city covered the
 streets and sidewalks.

Hold Revival Meetings.

Rev. Robert Lear is making quite
 a success of the revival meetings at
 the M. E. church. Several have
 made profession and united with the
 church. The meetings will continue
 each afternoon and evening all this
 week.

Picture Show Crowded.

Manager C. S. Hagan has ar-
 ranged for some fine attractions at
 the Oweo theater. "The Master
 Key" will begin this week. The
 splendid six reel feature "Tainted"
 caused the house to overflow Friday
 night.

Personals.

Mrs. E. C. Fletcher and Mrs. D.
 W. Frindle were Cairo shoppers
 Monday afternoon.

Sheriff Marion Bankson was in
 the city on official business Friday.
 Little Louise Raub, daughter of
 Mr. and Mrs. Ed Raub of Blanche
 avenue, is quite sick this week.

Chief of Police J. W. Simmons
 and C. F. Wheeler are attending
 county court at Mound City, in the
 robbery cases, that occurred west
 of town some weeks ago.

And now the weather proposition
 is up to the "ground hog."

FARMERS OF KANE
COUNTY GET WHAT
THEY ASKED FOR

Injunction Dissolved Which Was Is-
 sued to Restrain Slaughter
 of Cattle.

Elgin, Ill., Feb. 1.—An order dis-
 solving the injunction issued to re-
 strain the slaughter of cattle afflic-
 ted with the foot and mouth disease
 was filed today by Judge Irwin, in
 the Kane county circuit court.

The hearing was attended by
 scores of farmers, who drove for
 miles over ice-covered roads to ar-
 gue the dissolution of the injunc-
 tion. They told Judge Irwin that
 after the issuance of the injunction
 the State had imposed such string-
 ent quarantine regulations, they
 could no longer market their milk,
 butter, hay and grain.

Hawk Probably "Rattled."
 A hawk attacked a woman teacher
 recently in Pellinco council school,
 Llanelli, Wales. The bird flew through
 the open window and clinging to the
 woman's blouse was only dislodged
 with difficulty when one of the male
 teachers came to the rescue. The
 bird is now in a cage in one of the
 classrooms.

NEW TRIAL IS
ORDERED IN THE
SALZNER CASE

Judge Hadley Has So Ordered—Miss
 Grace Browning Case Com-
 promised for \$400.

In a letter written to Corporation
 Counsel William S. Dewey, which he
 read to the council at the meeting
 yesterday morning, Judge Hadley of
 Edwardsville, before whom the
 Salzner case was tried recently,
 Judge Hadley states that he has or-
 dered a new trial of the case and
 that the verdict, which was given
 in favor of the city, by the jury
 was "against the law and the evi-
 dence." The Salzner case was
 brought by the children of Henry
 Salzner, for the death of their father
 at the hands of a mob on the
 night of November 11, 1909, at the
 time of the lynching of "Froggie"
 James.

It was reported at the council
 that the suit of Miss Grace Browning
 for \$5,000 against the city, was
 compromised for the sum of \$500
 and costs. Miss Browning claimed
 to have received injuries by falling
 on a defective sidewalk on Jeff-
 erson avenue some months ago.

Chief of Police Thomas A. Fuller
 reported that 200 arrests were made
 by the officers in January. Fire
 Chief Peter Lind that 20 fire alarms
 had been responded to in January.
 Action on the ordinance granting
 the Illinois Central railroad privi-
 lege to construct an inter-change
 switch track in the upper part of
 the city was on request of Commis-
 sioner M. J. Hawley, deferred until
 next meeting.

Mayor Wood read a letter from
 the secretary of the National Rivers
 and Harbors Congress, asking Elgin
 to renew its membership in the
 organization. Commissioner How-
 ley's motion to retain such member-
 ship was carried.

Commissioner Kelly reported that
 a there would soon be need for the
 operation of the city's drainage
 pumps, as it was expected that a
 tide of water of 40 feet would soon
 be here, he had had the pumping
 plants placed in readiness.

The matters brought to the atten-
 tion of the Commissioners a few
 days ago by the Retail Merchants
 were not discussed at yesterday's
 meeting, but will be at a special
 meeting to be held soon.

ST. LOUIS PASTOR
 CALLED DOWN FOR
 ATTACK ON SUNDAY

(Concluded from First Page.)

ood results behind. The minister
 replied by quoting the Scripture text
 about the last state being worse
 than the first. Soon after, Mrs. Ed-
 ward Schenk, a Sunday school
 teacher, wife of Detective
 Sgt. Schenk, asked if the pastor
 believed in any revival methods,
 and he replied that they should be
 "gently tamed down" to be ben-
 eficial.

Absinthe.
 The principal poison in absinthe is
 a vegetable substance known as
 thuyon. It is found in wormwood,
 which is used in making absinthe.
 France is the largest consumer of ab-
 sinthe, taking more than all the rest
 of Europe. The consumption has been
 steadily increasing, so that in 1911
 over 1,000,000 gallons of absinthe were
 used in France.

COLDER WEATHER IS
 PREDICTED FOR TODAY
 DROP OF 20 DEGREES

Another "cold wave" is predicted
 while not extreme in temperature
 yet the mercury will make a
 decided drop from what it was yes-
 terday. The maximum temperature
 yesterday was 56 and the minimum
 19. While no prediction has been
 made as to how low the tempera-
 ture will get today it is expected
 that a drop of 20 degrees at least
 will be reached.

TWIN SISTERS HAVE
BABES WITHIN ONE
DAY OF EACH OTHER

The twin daughters of Mr. and
 Mrs. S. P. Ragsdale of this city,
 Mrs. Robert Johnson of 211 Twenty-
 ninth street, and Mrs. Tensie Un-
 derwood of 214 Thirty-third street
 are the mothers of babes, born to the
 former Sunday and the latter yes-
 terday. Both are boy babies.

W. R. SMITH GROCERY
AND MEAT MARKET IS
VISITED BY BURGLARS

The grocery and meat market of
 W. R. Smith at the corner of Twen-
 ty-first and Steamboat streets was
 entered by burglars Sunday morning
 and a quantity of meat and grocer-
 ies, just how much goods was taken
 is not known. The robbers broke a
 window glass to gain entrance into
 the building.

NEW ZEALAND TO GET WHEAT

Wellington, New Zealand, Feb. 1.
 —New Zealand has arranged, it is
 announced here, to purchase 1,000,
 000 bushels of Canadian wheat for
 delivery in July.

GERMANY BRINGING
COMBAT TO GREAT
BRITAIN'S FRONT DOOR

(Concluded from Page One.)

trade of that port is contemplated.
 The British merchant steamers
 torpedoed by the Germans off Har-
 are the largest commercial vessels
 that have fallen victims to German
 submarines, the three ships sunk in
 the Irish Sea were all small coast-
 ers.

Submarine Seen Sunday.
 The belief expressed yesterday
 that the raider could not remain
 for more than a few hours in waters
 so far removed from his base, has
 been exploded by the news that the
 mail steamer Leinster encountered a
 German submarine off Dublin on
 Sunday. 24 hours after the sinking
 of the three coasters. Therefore, it
 would seem probable that the raider
 renewed his supplies of food and
 fuel from the coarser Linde Blanche
 before sending her to the bottom. A
 message received here this after-
 noon from Southampton says that a
 German submarine, supposedly the
 U-51, was seen off there early today.
 Southampton is a seaside resort of
 England in the Irish Sea, 18 miles
 north of Liverpool.

The insurance rates on coasters
 have been raised from 5 to 20 per-
 cent as a result of the Ger-
 man submarine raid.

These include the steamer Graph-
 is, with 100 passengers and a crew
 of 40 and the smaller boats Atrius,

Ava, Kathleen and Erymon. All
 these vessels escaped in a zig-zag
 flight.

The Graphie's captain had his
 passengers don lifebelts and sent all
 the members of the crew to the
 stoke hole so that the steamer could
 keep up a full head of steam in
 flight. The captain also took the
 precaution to warn by wireless ves-
 sels from coming into the zone of
 the submarine's activity.

The Allan Line steamer Scandi-
 navian from St. John, N. B., Jan. 22

for Liverpool, with 500 passengers
 on board learned of the raid of the
 U-21 and put into Queenstown.
 After remaining in Queenstown for
 a short time the steamer proceeded
 for Liverpool.

Watch Your Children

Often children do not let parents know
 they are constipated. They fear some-
 thing distasteful. They will like Rexall
 Orderlies—a mild laxative that tastes
 like sugar. Sold only by us, 10 cents.

Paul G. Schuh & Sons.

TALK No. 24

Why Does the Water Company Desire
To Enlarge And Improve
The Filter Plant?

To increase capacity, and to meet the
 new and higher standard of purity which
 is now demanded by the Government and
 to which the public is entitled.

Generally speaking, the present filter
 plant is of the Modern Mechanical Rapid
 Sand type, the same type which is now
 constructed to treat public water supplies,
 and the same which St. Louis is now
 constructing.

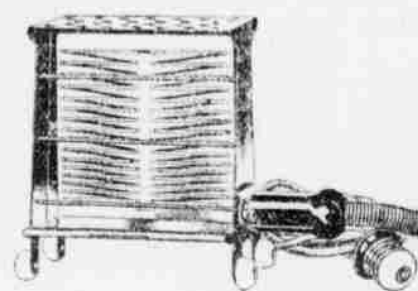

Since the Cairo plant was built, while
 the general design has not changed greatly,
 many improvements have been developed.
 The water company desires to adopt these
 new improvements. When this work is
 done, reinforced concrete construction
 will be used throughout.

Cairo had one of the first, if not the
 first, modern filter plant in the Middle
 West. The present plant was constructed
 about 14 years ago at considerable ex-
 pense. It was the best type and design
 then known to water works engineers.

When Cairo's plant was built many
 engineers visited it to study and inspect it.

Cairo Water Company

HEAT! HEAT! HEAT!

Now is the time to buy your
Electrical Heating Devices

Summer is coming, the heat is terrific. Our
 sale on Devices is near, it

Begins Feb. 8th and lasts 1 week

only. Why suffer with the heat of Coal Ranges,
 when you are able to buy Electrical Heating
 Devices so cheaply. We have the best on the
 market. The price is going to be right.

Watch this space for prices.

Remember the Date, Feb. 8th.
